

AGILITY SEMINARS WITH ANNETTE ALFONSO

August 30, 2018 at Bon-Clyde Learning Center

Annette Alfonso Bio: Annette is an accomplished dog trainer and competitor from Puerto Rico who turned her passion for training into a profession in 1997. After spending several years traveling the country performing with her canine team as part of the Purina Incredible Dog Team, Annette started teaching Agility full time in Miami, FL.

She has competed with her dogs at numerous AKC and USDAA National events and represented Puerto Rico on an international level while competing at the World Agility Open Championships in England in 2011 with her dogs Dealer and Legend (Legend placed 4th in the Pentathlon class), at the IFCS Worlds in Texas in 2012 (Legend) and again at the World Agility Open Championships in Spain in 2013 (Legend). In 2014 at the IFCS CCOA Annette and Legend won silver in the Individual Biathlon. More recently (2013-2016) Annette has traveled to England, Austria and the Channel Islands to compete in various agility Festivals and Open competitions.

As much as she enjoys performing with her own dogs, Annette thrives on coaching others to be the best they can be and helping students achieve their training goals.

For Annette, training the 'perfect' dog begins with a strong relationship and realistic training goals geared toward the dog's individual talents. Most importantly, it doesn't matter whether you are training the next world champion or your best canine companion, keeping it fun is always the most important rule!

Sessions

Session 1—Same Line— Different Handling— 9 AM to 12 PM

In this workshop we will work on recognizing the dog's line and handling it multiple different ways. Learn how you can help your dog run the most efficient path by careful selection of handling choices and timely execution thereof.

Appropriate for dogs running Novice/Intermediate jumpers courses.

Session 2—Novice/Advanced Level Handling Challenges— 2 PM to 5 PM

This workshop will work on handling sequences on a standard course at a novice/advanced level. Weave pole skills will be included in the sequences.

Session 3 —Excellent/Masters Level Handling Challenges — 6 PM to 9 PM

This workshop will work on handling sequences on a standard course at a excellent/master level. Difficult weave pole skills will be included in the sequences.

Sessions are limited to 9 Workings Spots and Unlimited Auditors
